

Nights Away Kit List (summer camp 2017)

All young people will need to bring their personal equipment and should be encouraged to pack themselves. This list is only a guide.

No camping or pen knives.

Scouts may bring a mobile phone for emergency use. There is very limited charging on the island and Leaders' phones take priority. We cannot take responsibility for any damage or loss to any electronic gadgets on camp.

If you have any questions about the kit list please contact Richard Chen
